Engravings to your specifications.

## My KERDI-LINE. Showers with a personal touch.

A special touch has just been added to the extensive range of the proven **Schlüter®-KERDI-LINE** linear drain. You can now apply designs of your own specifications to Schlüter®-KERDI-LINE in three different engraving types to give showers a special personal touch. Please refer to our separate price sheet "My Schlüter®-KERDI-LINE" for pricing.

## Schlüter®-KERDI-LINE becomes My KERDI-LINE

A variety of engraving types are available to enhance the design of the grate and frame or both. Engraved logos, images, or texts add a design accent, strengthen your brand identity, or simply bring out a smile in the morning.

Perfect for hotel chains that want perfect comfort for their guests, for tradesmen who want to leave a logo of their own in addition to manufacturer brands, or a loving spouse who wants the shower to extend a friendly greeting in the morning.

Whoever and wherever: **Schlüter®-KERDI-LINE** now offers a chance to leave a personal touch.

Discover the opportunities.

- ✓ Linear drainage with a personal touch
- ✓ Engraving on either frame or grate or on both grate and frame
- ✓ Image, logo or text engravings are available
- ✓ Three engraving types: Deep, surface, or crosshatch engraving
- ✓ Engravings are precise, high-quality, and durable

### Choice of engraving areas

Laser engravings on the relevant Schlüter®-KERDI-LINE model (lengths up to max. 120 cm) can either be placed on the full assembly (grate and frame) or just on the frame. Engraving dimensions can be up to 120 x 10 mm (frame) or 120 x 30 mm (grate). The engraving can be repeated on the grate (up to 3 times) or on the frame (up to 6 times).
